"Virtually everything I know I learned from my father, so it's nice to show him something he doesn't know—like Natura® water.

You watch: in a few weeks, he'll be saying it was his idea!

## water for a new generation

Natura® is a unique system that connects directly to your own water source, removing impurities and additives, and leaving in all the salts and minerals that make water taste its best. Serve Natura® at room temperature, chilled or sparkling. There's no storage issue, no coolers, glass or plastic bottles to return and replace. Meaning Natura® saves you time, space, money – and the planet.

drink water responsibly.

*Water the way nature intended.™*
